Merit list will be generated on the basis of category, honours subjects, and intake capacity. All reserved candidates shall be considered in unreserved list as well as reserved list. If such a candidate be found eligible for admission in both lists and he/she gets admission, he/she will be considered to have filled in the unreserved list. In this case, his/her name will be deleted from both lists.

An applicant will get scope for viewing his/her status by logging in. Also SMS information of allotted choices will be sent to applicant. If an applicant finds any seat allotted to him /her in one subject opted for and he/she opts for admission, he/she will click for apply and then an e-challan and an admission document will be generated. Instantly this choice will be locked in his/her favour and he/she will get a SMS for provisional admission. The bank will inform the system database about the payment. The payment document and admission document together will serve as a record for provisional admission of the student. Provisional admission is to be ultimately approved by the college on verification of testimonials.

To approve his/her provisional admission, the candidate should reach the college with original and two photocopies of all testimonials including reservation certificate for verification by college authority. However, if any candidate does not make any contact with the college for verification of his / her testimonials and other admission related documents within the stipulated time, then his / her admission will be treated as cancelled and all allotments in his /her favour up to the next phase would be cancelled. If any discrepancies found during verification of original testimonials, the college authority will have the right to reject the admission of the student.

Duration for 1st Phase admission will be two days. The third day will be reserved for verification of the 1st phase of admission. Merit list will be updated after a gap of one day and provisional admission of the 2nd phase will be commenced. Duration of the 2nd phase admission will also be 2 days (i.e. fourth and fifth days). The sixth days will be reserved for verification of the 2nd phase of admission. Merit list for 3rd phase will be updated on the seventh day. The process will going on until the total intake capacity is filled up.

Grade point will be calculated upto 4 decimal places.

To calculate % of marks at 10th level consider aggregate marks in Madhyamik without additional marks.

In case of CBSE and ICSE (10 standard), if marks of Board exam be available, add upto final aggregate. If marks of Board Exam are not available the marks given by the Institute and approved by the concerned Board will be taken into account for calculation of % of marks.

In case, marks are not awarded but grade points (GP) are awarded, GP is to be converted into marks on 100 point scale. If letter grades with range of marks for the letter grades are given, then the mid value of the range of a particular letter grade will be considered for determination of % of marks.

To calculate % of marks at 12th level, add marks of 2 languages + best 3 elective subjects studied.

Environment studies will not be considered in deriving aggregate of marks.

In case of CBSE and ISC (12 standard), consider 2 or 1 language as available + 3 best elective subjects and find aggregate marks.

Subject combination for different Honours and General courses are given in **Annexure-I**.

Tie- breaking of grade points:

If multiple students have same GP up to 4 decimal places, following points are to be considered sequentially-

- i) Marks obtained at 10+2 level of the honours subject sought will be doubled to break a tie.
- ii) Total marks of H S will be considered if the tie persists.
- iii) Finally marks of 1st language will be considered.
